

Sunshine Place brings our community together through neighbors helping neighbors. Delivering **150 acts of kindness a day** - including food, clothing and other basic services - Sunshine Place is committed to meeting the growing needs of Sun Prairie.

As a **100% donor-funded nonprofit organization**, we simply couldn't exist without our donors. This last year, we saw a rise in need throughout our community. It seems that nothing in Sun Prairie is slowing down. But the good news is that you helped us reach this new level of need and prepare for the future. Thank you for being part of our #ActofKindnessSP movement. Know that your commitment to and support of Sunshine Place makes a difference to each of our neighbors served.

Without you, there is no Sunshine Place.

Thank you for your support,

Joanna Cervantes,
