

2022

ANNUAL REPORT

We are continually overwhelmed by the generosity of our community. Coming off the heels of several unprecedented years, in 2022 we saw the need for our services increase more than ever. Yet once again, you stepped up to help us grow and maintain vital programs. Every volunteer hour and every financial contribution provides a helping hand to one of our neighbors facing hunger, housing insecurity, or other barriers to a more stable family life. Together, we can continue to support those in need and build a stronger tomorrow for our whole community. Thank you for your support!

With gratitude,

Ann Maastricht,
