

Host your own ...

Pantry Product Drive

The need in Sun Prairie is greater than ever. Help us fill the Sunshine Pantry shelves by hosting a pantry donation drive in your community. It's fun, easy, and rewarding. Big or small, your drive will make a huge difference for families seeking food and self-care resources. See reverse side for instructions and item list.

1. Define your donors

Who are you asking to donate? Pick a place where you know a lot of people will get involved, like work, school, places of worship, and clubs. The more donors the better!

2. Consider a theme to make it more fun

For instance, collect just cereal, or collect food items that tie into a season. Decorate your donation bins or signage accordingly.

3. Set a timeframe & clear donation guidelines

We suggest hosting your drive for approximately 2-4 weeks. Review the donation guidelines on the pantry webpage to ensure donated items can be used by the pantry: sunshineplace.org/food-pantry

4. Promote your drive

Spread the word about your event before and during. Utilize bulletin boards, emails, social media, and workplace communication tools like Teams and Slack.

5. Make it a game!

A little healthy competition can help keep donors engaged and increase donations. Organize donors into teams and see who can collect the most. Celebrate your success as a group.

6. Donate to Sunshine Pantry

Donations can be delivered to 18 Rickel Road, Sun Prairie, M - F, 8 AM - 3 PM. Too much to deliver? Contact us about pickup: (608) 478-7918
