Join us for a fun night out in support of Sunshine Place programs that support our neighbors with food, housing, and other essential needs. Whether you're new to our annual fundraiser, or a regular guest, **this year is a can't miss**. Enjoy classic Wisconsin supper club food, sip an old-fashioned, and learn more about how Sunshine Place programs support our neighbors. Dress up or dress down, however you're comfy. Wisconsin supper clubs are for slowing down and building community, and that's what Sunshine Place is all about.
